Level of Award ¹	FHEQ Level 7

Professional, Statutory
and Regulatory Bodies

DEFINITIVE COURSE RECORD

Key / common skills

1. Demonstrate an ability to communicate complex ideas and arguments in writing to specialist and non-specialist audiences.

Course Design

The design of this course has been guided by the following QAA Benchmarks / Professional Standards:

- Health Education England Multi-professional framework for advanced clinical practice in England

Course Structure

The MSc Advanced Clinical Practice comprises modules at level 7.

Module Specifications for each of these modules is included within the course handbook, available to students on-line at the beginning of each academic year.

	Module	Credits	Module Type ⁷
Level 7			
	Leading Change in Advanced Practice	20	M
	Dissertation	40	M
	NB: Students will be required (if not already completed) to submit a portfolio of evidence to include competencies and be signed off by the course lead on completion of the remaining modules.		

Awards

On successful completion of the course, students will be awarded a MSc Advanced Clinical Practice.

Course Delivery

The course is delivered at Ipswich. During this course students studying part-time on the MSc Advanced Clinical Practice are likely to have approximately 30 tutor structured learning hours in the Leading Change in Advanced Practice module. Throughout the dissertation, 20 hours of individual supervision will be available to students. Tutor structured learning will be a mix of lectures, seminars and practical activity. Students will be expected to undertake approximately 20 hours of independent study in a week but should be prepared for this to vary based on assignment deadlines and class exercises.

⁷ Modules are designated as either mandatory (M), requisite (R) or optional (O). For definitions, see the [Framework and Regulations for Taught Postgraduate Awards](#)

DEFINITIVE COURSE RECORD

Course Assessment

A variety of assessments will be used on the course to enable students to experience and adapt to different assessment styles. The assessment methods used will be appropriate to assess each module's intended learning outcomes. Assessment on the course will be in the form of an oral presentation, written assignment and dissertation coursework.

Course Team

The academic staff delivering this course are drawn from a team that includes teaching specialists and current practitioners. All staff are qualified in their subjects with their own specialist knowledge to contribute.

Course Costs

Students undertaking MSc Advanced Clinical Practice will be charged tuition fees as detailed below.

Student Group	Tuition Fees
Part-time UK	£1,097 per 20 credit module
Part-time EU/International	£1,700 per 20 credit module*

*EU and International students on health courses may also incur a placement fee. For information, please contact the Admissions Department on 01473 338348 or via email admissions@uos.ac.uk.

Payment of tuition fees is due at the time of enrolment and is managed in accordance with the Tuition Fee Policy.

Academic Framework and Regulations

This course is delivered according to the Framework and Regulations for Taught Postgraduate Awards and other academic policies and procedures of the University and published on the [website](#).
