Optional modules available in any year will be communicated to you prior to your enrolment to facilitate module choice. Some optional modules may not run in every year of study, and the availability of optional modules depends on the level of student demand, the availability of specialist staff and timetabling constraints. In addition, we regularly review our curriculum to ensure it is up-to-date, relevant, draws on the latest research and addresses contemporary issues. As a result, the modules we offer may change over the course of your degree.
